Reply Non-responsive

The reply filed on 11/23/05 is not fully responsive to the prior Office Action

because of the omission(s) or matter(s) discussed herein below (see 37 CFR 1.111).

Since the reply appears to be bona fide; applicants are given ONE (1) MONTH or

THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within

which to supply the omission or correction in order to avoid abandonment. EXTEN-

SIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

The previous Office Action includes a restriction requirement and a species

election requirement. Applicants' reply responds to the restriction requirement but fails

to respond to the species election requirement. To complete their response, applicants

must elect a single species as instructed in the previous Office Action, and they must

also list all claims readable on the elected species.

The previous Office action additionally points out that this case contains num-

erous redundant claims and advises applicants to make appropriate corrections. Appli-

cants have no yet addressed this issue and they must do so in order to complete their

response.
